ORDER

Petitioner's Motion to Compel (Docket No. 13) is **DENIED**. The clerk has responded to the petitioner's request by letter and provided a copy of the docket sheet. A copy of every order issued by this court will be mailed to the petitioner. Additionally, as a courtesy to petitioner I have instructed my judicial assistant that to the extent there are any paper documents other than the electronic endorsements that appear on the docket sheet at Docket Nos. 2 and 5, and by Judge Barbadoro's endorsement of November 17, 2006, copies of those pleadings/order will be mailed to petitioner. No further relief is required.

So Ordered.
